Countries served:	191	Number of employees:	431,040
Airports served:	1,300	Fleet:	4,764
Lounges:	More than 1,000		

MEMBER AIRLINES

Adria was founded in 1961 as a charter company. In the 1980s the airline started serving scheduled routes and joined the International Air Transport Association. Today Adria's network links Ljubljana with more than 20 cities throughout Europe and offers excellent connections from North West to South East Europe. In December 2004 Adria joined the strongest strategic airline grouping, Star Alliance. Being one of the first regional carriers to become a member of this prestigious airline family is best proof of Adria's excellence and reliability. Adria Airways embodies many features characteristic of Slovenia: hospitality, friendliness and high-quality services. Together with a professional, caring staff and a modern fleet, Adria is committed to providing a high level of service and to winning the loyalty of its passengers for many years to come.

FACTS & FIGURES

India's national airline, Air India provides domestic and international air transport services to both passengers and cargo. Air India pioneered the country's aviation sector and its history is synonymous with the history of civil aviation in India. Air India embodies the spirit of India by extending warm hospitality and the urge to satisfy its guests, an inherent characteristic of the country's culture.

Since the first flight on October 15, 1932, Air India has grown to become a mega international airline connecting to 37 destinations in the USA, Europe, Australia, Far-East and South-East Asia and the Gulf (does not include destinations covered by Air India Express). The airline's domestic network covers 52 destinations, including all state capitals and far-flung areas of India's North-East, Ladakh, Andaman and Nicobar Islands (does not include destinations covered by subsidiary Alliance Air). The airline also provides ground handling and engineering & maintenance services, as well as low-cost travel options, through its subsidiaries Air India Express and Alliance Air covering more domestic and international destinations. Air India's young fleet of 113 aircraft comprises a mix of the latest state-of-the-art B787 Dreamliners (22 aircraft), B777s, B747s, Airbus A330s, A321s, A320s, A320 Neo and A319s. Constantly adapting and re-inventing itself to stay ahead of competition, Air India has been and will continue to be committed to providing superior service, supported by the latest technology, to flyers worldwide.

ASIANA AIRLINES

Asiana Airlines was founded in 1988 and has endeavored to attain the highest level of safety and standards in its passenger and cargo services. As a result, Asiana Airlines has continued to maintain its 5-star rating by Skytrax for 11 consecutive years since 2007. Headquartered in Seoul, South Korea, Asiana Airlines operates 79 international passenger routes to 65 destinations in 23 countries and 23 cargo routes to 25 cities in 11 countries.

To provide the ultimate air travel experience, Asiana Airlines operates Airbus A380 double-deckers with its signature First Suite Class seats to selected long-haul destinations. Asiana Airlines also plans to fly state-of-the-art Airbus A350-900 aircrafts with in-flight connectivity to Manila, Osaka, Hong Kong, San Francisco and London by the end of 2017. Asiana Airlines became a Star Alliance member in 2003.

About Avianca Brasil

Avianca Brasil has been a scheduled airline since 2002. Currently, the carrier serves 23 domestic and one international destination with 230 daily departures, operating 48 Airbus aircraft - the youngest fleet in Latin America. Recognized for the high quality of its product, the company offers an enhanced customer experience, which includes individual entertainment, free meals and ample legroom. Always innovative, Avianca Brasil was the first carrier in South America to enable internet access on board airplanes and one of the pioneers in the Latin American operation of the modern A320neo. Among these advantages lies the Amigo loyalty program, which has 4 million registered customers. For more information, please access: www.avianca.com.br.

Brussels Airlines, member of the Lufthansa Group, is the leading Belgian airline operating out of the capital of Europe. With flights to European, African, North American and Indian destinations, Brussels Airlines offers an excellent network for travel to, from and via its home base and Star Alliance hub at Brussels Airport. Brussels Airlines further completes its network offer thanks to a close cooperation with other Star Alliance member airlines that operate to and from Brussels Airport. Brussels Airlines was founded in 2002 and is 100% owned by Deutsche Lufthansa AG. On its long-haul flights, the airline offers a Business Class with full flatbeds and state-of-the-art inflight entertainment, as well as an Economy Class with ergonomic seats and individual inflight entertainment touchscreens and an Economy Privilege option for premium economy comfort.

On its European routes, Brussels Airlines offers the choice between four travel experiences catering for the needs of both price- and service- sensitive passengers: the economy class solutions Flex&Fast, Light&Relax and Check&Go, and the business class option Bizz&Class. The long-haul network (currently 22 destinations) has recently expanded with a new direct service to Mumbai (Brussels Airlines' first destination in India) and several new medium destinations (Yerevan, Funchal, Rhodos, Comiso and Palma de Mallorca).

Copa Airlines was founded in Panama in 1947. Today, Copa Airlines and Copa Airlines Colombia are leading Latin American providers of passenger and cargo services to countries in North, Central, South America and the Caribbean. Its Hub of the Americas is strategically located at Tocumen International Airport in Panama, and it offers more destinations and frequencies than any other hub in Latin America, leading the way as the most connected airport in the region. Prestigious organizations have recognized Copa Airlines for its sustained operational excellence. Based on its 2016 on-time performance, Copa Airlines has been recognized by FlightStats as the most on-time airline in Latin America for the fourth consecutive year, and ranked No. 2 worldwide by OAG for the second consecutive year. In addition, Copa received the award for "Leading Airline in Mexico and Central America" at the World Travel Awards and earned three Skytrax 2016 awards: "Best Airline in Central America / Caribbean," "Best Airline Staff Service in Central America / Caribbean," and "Best Regional Airline in Central America / Caribbean." As flag carrier of Ethiopia, Ethiopian Airlines has become one of the continent's leading carriers, unrivalled in Africa for efficiency and operational success, turning profits for most years of its existence. Ethiopian Airlines was established on December 21, 1945. As one of the pioneer African airlines, Ethiopian began operations, with DC-3/C-47 aircraft. It has now become one of Ethiopia's major industries and an institution in Africa, operating a modern and environmental friendly fleet. It commands the lion's share of the pan African network, including the only daily east-west flight across the continent.

Ethiopian's network spans to Europe, North America, South America, Africa, Middle East and Asia, connecting cities across the globe. The airline is currently implementing its 15-year strategic plan called "Vision 2025" with the goal of becoming the leading aviation group in Africa. Ethiopian is proud to be a Star Alliance Member since December 2011.

We are a modern airline connecting Poland and Central-Eastern Europe to the world.

Every year we host on board our aircraft more than 5 million passengers, providing them with possibly the most efficient and most comfortable journeys from Warsaw to nearly 70 destinations worldwide.

We are the only airline in the region to offer direct long-haul flights to New York, Chicago, Toronto, Beijing, Tokyo, Seoul as well as Los Angeles and Newark just added in April 2017.

Warsaw is an efficient and competitive transfer hub for Poland and Central-Eastern Europe. A well designed route network, fast transfers, convenient departure and arrival times, plus an optimal location in the center of Europe with user-friendly airport infrastructure.

We have spread our wings - our fleet is one of the youngest in Europe and we are the only airline to operate all long-haul flights with the most cutting-edge aircraft in the world - the Boeing 787 Dreamliner. In 2017, following growing demand in the short and medium haul markets, we expand our fleet with new aircraft types - Boeing 737-800 and Boeing 737 MAX 8.

Our passengers travel in the way they want. Thanks to a wide range of classes, fares, products and services, we offer them great freedom to plan their journey based on their favorite, most useful and helpful elements. This also makes us the first choice airline for a growing number of passengers in the region. Customer trust is also underlined by the numerous awards we receive every year.

FACTS & FIGURES

LOT is all about people - who are full of positive energy and the ability to successfully combine modernity with tradition. The best pilots, many of them renowned as world champions, professional cabin crews and ground staff serve our passengers every day with commitment and smiles. We are proud that we are building Poland's most international brand together.

Lufthansa is the biggest airline within the Lufthansa Group. As one of the world's largest and most prestigious airlines, Lufthansa currently flies to 205 destinations in 74 countries on 4 continents. In the 2016 business year, the airline welcomed around 62.4 million passengers on board its flights. Headquartered in Cologne and with hubs in Frankfurt/Main, Munich and Dusseldorf, Lufthansa employs more than 36,000 people.

As an industry innovator, Lufthansa has long been committed to environmental care and sustainability, operating one of the most technologically-advanced and fuel-efficient fleet in the world. Its long-haul fleet includes the Boeing 747-8 and the Airbus A380. The airline is the largest European operator of the A380 and was also the launch customer for the new Boeing 747-8. With the arrival of the A350-900, Lufthansa welcomes a state-of-the-art newcomer to its fleet. The A350-900 is currently the world's most modern and most environmentally-friendly long-haul aircraft. It uses 25 percent less kerosene, produces 25 percent fewer emissions and is significantly quieter on take-off than comparable types of aircraft.

Lufthansa's fleet currently consists of 350 aircraft. The airline will receive another 205 scheduled for delivery between 2017 and 2025.

Shenzhen Airlines Co., Ltd, was founded in November 1992 and started operations on September 17 of the following year. With Air China and Shenzhen International Total Logistics (Shenzhen) Co, Ltd as its major shareholders, Shenzhen Airlines focuses on business of passenger, cargo and mail transportation. Its flight network covers major cities in China and extends to Hong Kong, Taiwan, Japan, Korea, Thailand and Singapore.

Having matured in the Shenzhen Special Economic Zone, Shenzhen Airlines is deeply rooted in Shenzhen, constructing "air corridors" to facilitate the city's international trade and cultural exchanges. Apart from its own development, Shenzhen Airlines voluntarily engages its social responsibility and serves the community with gratitude. Thus the company is widely regarded as a "Shining Name Card of Shenzhen".

Thai Airways International Public Company Limited (THAI) is the national carrier of the Kingdom of Thailand. Founded in 1960, THAI operates an average of 1,061 roundtrip flights per week on domestic, regional and intercontinental routes.

THAI's philosophy is to provide a full service to premium passengers while maintaining the highest standards of service to leisure travelers, who represent over 80% of the company's total passenger transportation revenue. THAI aims to be the "First Choice Carrier with Touches of Thai". The success of THAI in the 57 years of operation has been endorsed through countless international awards received. THAI is regularly voted among the world's most admired carriers in research carried out by leading travel magazines and from Internet passenger surveys.

Safety is THAI's top priority. For 57 years, Thai Airways International has operated with high safety standards, adopting new safety regulations and practices as a prerequisite by various authorities around the world, and going even further to implement safety programs that are beyond the requirement.

FACTS & FIGURES

United is a founding member of the Star Alliance network. The airline has a rich history in aviation, tracing its roots to 1926 when a small Swallow biplane owned by Walter T. Varney carried airmail to Nevada from Pasco, Washington – a flight that marked the true beginning of commercial air transportation and the birth of United Airlines.

Today, the airline operates the most fuel efficient fleet among U.S. network carriers with the world’s most comprehensive global route network, including world-class international gateways to Asia and Australia, Europe, Latin America, and the Middle East. United, together with United Express, offers more than 4,500 flights a day to more than 337 destinations from hubs in Chicago, Denver, Guam, Houston, Los Angeles, New York/Newark, San Francisco, Tokyo and Washington, D.C. United employs more than 87,500 people worldwide.

Total revenue:	36.6 BUSD	Revenue Passenger Km:	338 bn
Daily departures:	4,500	Annual Passengers:	143 m
