Boeing 767

Enjoy more seats and more comfort on the widebody 767*, year round on Manchester to New York/Newark

More than 280 destinations across the Americas

United Airlines offers comprehensive access to the U.S. from **four U.K. airports**, and onward connections to over 280 destinations across the Americas. United flies nonstop from Manchester to New York/Newark. **Getting to and from the Big Apple is quicker** by rideshare than from JFK thanks to United's New York / Newark (EWR) hub.

Information is correct as of October 2019. Please check before reservation and travel.

Number of onward connections includes destinations served by United Airlines, Inc. and United Express.

*Aircraft scheduled to operate as 767-400 in the Summer and 767-300 in the Winter. Some other ad-hoc seasonal capacity changes may also occur.

Custom luxury bedding designed by Saks Fifth Avenue

Inflight dining experience created with The Trotter Project

Sleep-themed amenity kits help flyers stay relaxed and refreshed

Say hello to United® Premium Plus

United's new premium economy experience will roll out across most long-haul international flights that features a roomy, plush seat, even more spacious and relaxing than Economy Plus seats. Now available for purchase on the first London to San Francisco flight of the day and all five daily flights from London to New York/Newark. Travellers will receive upgraded dining options on custom dinnerware and then the perfect sit back and relax amenity kit with a Saks Fifth Avenue blanket and pillow to compliment.

United Economy®

With our inclusive United Economy® fares, you don't have to pay extra for a 23kg bag and an allocated seat. You can relax in ergonomically-designed seats with up to 32 inches of legroom, stay connected with Wi-Fi available on all trans-Atlantic flights, and enjoy a hearty three-course meal with complimentary beer and wine.

United Economy Plus®

Stretch out with extra legroom in United Economy Plus; with up to six inches of additional legroom. Seats are located near the front of the Economy cabin allowing a swifter exit on arrival.

Stay connected even at 36,000 feet. Enjoy complimentary movies and television shows on your device.

Full Wi-Fi access is also available for purchase.

United Polaris and United Premium Plus travel features, including aircraft and airport configuration, may not be available in all markets and/or flights. Information correct as of October 2019.
